

MARANO VETERINARY SURGERY

Marano Veterinary Surgery is seeking a full time Veterinarian to join our rural mixed practice.

- Roma is in the beautiful outback of Australia, specifically in south west Queensland and is home to the largest cattle selling complex in the southern hemisphere. It's a mid-sized country town with all necessary shops and sporting facilities. Roma is also home to the famous Roma Cup, Dachshund Day/ Running of the Weiners and Easter in the Country Festival. Carnarvon Gorge is only a 2.5 hour drive away making for a perfect weekend away or day trip and there are daily flights to Brisbane (50mins) for city weekend getaways and easy conference access with Roma local reduced pricing.
- The practice services approx. 65% companion animals, 25% beef cattle (calvings, pregnancy diagnosis, BBSE, prolapses and more), 10% equine, sheep, goats and other. With many excellent clients there is opportunity to explore diagnostic challenges or refer when required.
- The practice is well equipped, and we pride ourselves on providing the highest standard of veterinary care possible- Vetscan biochemistry, overnight Idexx turnaround, Abaxis 3000 microscope with camera, 5 infusion pumps, cage camera monitoring, RX works, digital xray, both equine and small animal ultrasound, equine powerfloat, separate cat ward, and an equine facility with crush, stables and surgery yard. For our large animal work a well equipped, purpose designed, tidy work ute is offered to ensure quality service to our clients further a field.
- Our ideal veterinarian will have a positive attitude, be eager to learn and contribute to the business, and love servicing our clients and their pets and livestock as much as we do. They should have a minimum of 2 years' experience, be able to perform routine dog and cat neuters, basic surgical procedures and possess competent consultation skills to ensure clear communication and sound advice on diagnostic and treatment options. The rest of the skills we can help you develop. They should possess a 491 VISA or we can sponsor on a 482 Visa.
- Remuneration: The package would include the usual 4 weeks conference leave, 1 week paid study leave and one paid conference registration per year. Neg on experience.
- The practice offers full out of hours services, so 1:3 afterhours is required, however afterhours workload and fairly light, has great nurse support and you will be rewarded with a long weekend the following weekend.
- Our supportive team is small and close knit this ensures you're not just another vet in a big practice, you can follow up your cases and know and care for your own clients and become a loved community member.

So if you love treating a variety of species, a varied caseload and enjoy rural living then please send through your CV. Applications to: admin@maranoavetsurgery.com.au attn Joanne.
